Subject: FL Assumption ESA consultation

Heath,

Hope you're doing well. I don't know if you remember me but we met back in Feb in Tallahassee. I believe my supervisor, Rosemary Calli, reached out a couple weeks ago regarding the consultation and BiOp for FL assumption. I was just emailing to see if you needed anything from us or if you thought it might be helpful to have a call about the status of consultation and next steps?

Thank you,

Kelly Laycock
